

MID-ATLANTIC DRAY TRUCK DISCUSSION GROUP
June 9, 2010
8:30 AM – 3:00PM
Baltimore Metropolitan Council
2700 Lighthouse Point
Baltimore, MD

DRAFT AGENDA

Purpose

The purpose of this event is to bring together practitioners who facilitate a variety of port-related diesel emissions reduction programs for dray trucks in the mid-Atlantic region. Practitioners will have the opportunity for information-sharing, networking, sharing statewide successes, and identifying challenges that are cross-cutting. At the conclusion of this event, practitioners will have an improved understanding of regional dray truck initiatives and will gain insight into improving individual programs.
