North Carolina Biodiesel Quality Education Series
August 15, 2007
9:00 am – 4:00 pm
BioNetwork BioEd Center-Gaston College - Dallas, NC

Are you interested in the quality production methods and uses of biodiesel? Then plan to attend the first in a series of workshops that addresses the role, production and use of biodiesel in North Carolina.

- Learn about fuel quality topics such as specifications, proper fuel handling and analytical methods for quality control (ASTM/BQ9000)
- Participate in hands-on fuel testing demonstrations
- Tour a nearby biodiesel production facility
- Exchange ideas with biodiesel producers, distributors and retailers

Presented by the **Centralina Clean Fuels Coalition, Triangle Clean Cities Coalition, Piedmont Biofuels, and NC BioNetwork.**

Speakers and panelists will include Rachel Burton, Piedmont Biofuels; Vernon Shoaf, NC BioNetwork; Grady Truett, Gaston County Schools and other biodiesel experts.

Cost: \$20 per person (includes lunch)

Please RSVP to Sarah Niess at sniess@centralina.org if you plan to attend. Space is limited so to secure a place at the workshop please send your name and check made out to *Centralina Clean Fuels Coalition* to:

Centralina Clean Fuels Coalition
P.O. Box 35008
Charlotte, NC 28235
